

Telecom Exchange (TEX) Announces The TEX Pre-Party Sponsored by Netrality Properties

Cocktail Reception to Also Feature ATLANTIC-ACM's 2015 Business Connectivity Service Provider Excellence Awards

MIDDLEBROOK, VA April 10, 2015– [Telecom Exchange](#) (TEX), the premier industry networking event for high-bandwidth network operators, announces The TEX Pre-Party, sponsored by [Netrality Properties](#), to be held on Tuesday, June 23, 2015 at Pier A Harbor House in New York City. Telecom industry leaders will join together for an evening of casual networking before Telecom Exchange. The event will also feature ATLANTIC-ACM's 2015 Business Connectivity Service Provider Excellence Awards. Due to space requirements, complimentary registration will be limited to the first 200; please [register here](#). As this is an industry-focused event, attendance is VIP-only and TEX registration is highly encouraged.

The TEX Pre-Party's sponsor, Netrality Properties, is a perfect brand fit for TEX. Similar to the award-winning neutral exhibit floor of Telecom Exchange, Netrality Properties' name is derived from two words: "Network" and "Neutrality". The company integrates the ownership of carrier hotel real estate and the development and operations of network-neutral "Meet Me Rooms" with no monthly recurring charges for cross connects. This integration is further illustrated in its management team; Netrality is a joint venture operated by affiliates of real estate leader [Amerimar Enterprises](#) and telecom connectivity expert [Hunter Newby](#).

"We look forward to welcoming Telecom Exchange attendees during the pre-party and kicking off the networking," states Gerald Marshall, President and CEO of Netrality Properties. "Telecom Exchange brings together top industry thought leaders each year and we are happy to support the event."

[ATLANTIC-ACM](#), a leading strategic advisory and market diligence firm to the telecom and technology industries, will present its 2015 Business Connectivity Service Provider Excellence Awards for the 2nd consecutive year at The TEX Pre-Party. Winners from the previous year include tw telecom (now Level 3), Sprint, FPL FiberNet, Fibertech Networks, and Cbeyond.

The TEX Pre-Party is the official kick-off of TEX networking opportunities. Telecom Exchange will be held on Wednesday, June 24, 2015 at Cipriani Wall Street. Due to exciting early demand, TEX exhibit space is selling out at record pace with over 60% of the exhibit tables now sold. Exhibit tables are available on a first-come, first-serve basis, so reserve now if interested. There are a limited number of sponsorship packages available.
