Forbes Agency Council Is an Invitation-Only Community for Executives in Successful Public Relations, Media Strategy, Creative and Advertising Agencies

MIDDLEBROOK, VA, January 16, 2017 – [Jaymie Scotto & Associates](#) (JSA), the preeminent marketing, public relations and event-planning firm serving the tech and telecom industries, today announces it has been accepted into the **Forbes Agency Council**, an invitation-only community for executives in successful public relations, media strategy, creative and advertising agencies.

[Jaymie Scotto Cutaia](#), CEO and Founder of JSA, joins other Forbes Agency Council members, who are hand-selected, to become part of a curated network of successful peers and get access to a variety of exclusive benefits and resources, including the opportunity to submit thought leadership articles and short tips on industry-related topics for publishing on Forbes.com.

Forbes Councils combines an innovative, high-touch approach to community management perfected by the team behind Young Entrepreneur Council (YEC) with the extensive resources and global reach of Forbes. As a result, Forbes Council members get access to the people, benefits and expertise they need to grow their businesses — and a dedicated member concierge who acts as an extension of their own team, providing personalized one-on-one support.

“Recognition and acceptance into the prestigious Forbes Agency Council is truly a testament of JSA’s success and our team’s hard work and dedication, and such an exciting way to kick off 2017 as we celebrate our 12th year in business,” states Cutaia. “Joining the Forbes community will help our company further cement our leadership role in the tech and telecom industries.”
